

Dear Friends of South Basketball,

Sept 1st, 2011

Thank-you for considering South Basketball as a place to advertise and invest in our community. We are a non-profit organization dedicated to supporting Coach Taylor Nerland and his staff in creating opportunities for the development of the young men of Wolverine Basketball as individual players and as a team.

In these days of dwindling budgets, the Anchorage School District is only able to cover a small part of what it takes to establish a successful program. Basics like tournament fees, new basketballs, and any travel outside the Anchorage bowl (including even the Valley or the Peninsula) are examples of what our Booster Club must cover. We are dedicated to raising the funds needed to support a program in which these athletes can succeed and be proud.

If you would like to contribute, please go to www.southbasketball.org and consider becoming a member of one of the following clubs and join us in our efforts to create a great team this year and build a premier program for the future. If you have any questions, feel free to call or e-mail.

Sincerely,
 Matt Evans
